FINANCIAL POLICY

Please read and initial each line below, indicating your understanding of the following information. If you have questions, please do not hesitate to ask. It is important that you understand these specific policies of the Boulder Community Health Physicians’ Clinics, and how your insurance company will handle your claims.

I. It is your responsibility to provide CU Sports Medicine and Performance Center (CUSMPC) with current and correct insurance information. Failure to do so could result in your insurance company rejecting your claim(s) for failure to obtain authorization or timely filing. In the event that this should happen, you will be responsible for the charges incurred. *Note: having insurance does not guarantee coverage/payment for all services provided.

II. It is your responsibility to verify your coverage and adhere to the restrictions of your plan. CUSMPC participates with most major medical insurance companies. If appointments are made that are not covered by your insurance plan, you will be responsible for payment.

III. We do not always know if you have a deductible, if your deductible has been met, or if you have co-insurance. It is your responsibility to know this information. You are responsible for all charges that are not paid by your insurance company; including those applied to your deductible or co-insurance.

IV. You will need to sign a self-pay waiver if you have no insurance or if you choose not to use your insurance coverage. This waiver clarifies your financial responsibility and helps prevent misunderstandings.

V. Discounts are offered on some medical services, but ONLY if you pay at the time of service. If you have no insurance, or if you are receiving services that are not covered by your insurance plan, you may be eligible for a discount on some medical services. Payment must be made at the time of service for the discount to apply. The front office staff can let you know if the services you are receiving qualify for this discount. It is your responsibility to ask the front office for the discount.

VI. If you have a co-pay, you are expected to pay it when you check in for your appointment. Most insurance companies assign a co-payment to the patient, and it is our responsibility to collect payment at the time of service. Be prepared to pay your co-pay when you check in for each visit. We accept cash*, checks, and credit card payments. *Exact change only.

VII. You will be charged a $75 fee if you fail to show up for your appointment or if you cancel your appointment with less than 24 hours’ notice. Exceptions may be made for inclement weather. You will be billed for appointments that you “no show” or cancel without sufficient notice.

VIII. If you are more than 15 minutes late for your appointment, the medical provider reserves the right to reschedule your appointment. If you miss 2 appointments (no show or cancel without 24 hours’ notice), all future appointments may be removed from the schedule.

Supply Return Policy: Unopened, unused supplies may be returned within 30 days for a full refund. No returns will be accepted after 30 days. Used supplies may NOT be returned. Defective supplies may need to be returned to the manufacturer—contact us about defective merchandise.
